About Me:

Hello, my name is Elizabeth Weisz, my friends call me Ellie. I'm a 33 year old red headed vixen with soulful brown eyes from Montreal Quebec. I've been working in the industry as a companion for five years and I can truly say that I love what I do.

I offer both in person and virtual services. In my spare time I enjoy reading, yoga and strength training. I also have an adorable Pomeranian named Bear who is the love of my life.

I believe that our time together is about forming a meaningful connection. I hold a degree in Sociology and Psychology. I enjoy conversing on a wide variety of topics such as politics, social justice, philosophy and literature. As an introvert I thrive in one on one situations where we get to truly revel in each other's presence. I enjoy taking our time over a glass of wine, champagne or a hot cup of tea as we talk about whatever is on our minds. I'm known for my silly giggle and sensual nature, which can put even the shyest person at ease. I enjoy pleasing and being pleased and I've been told it shows. My goal is to leave you feeling refreshed and satisfied with a happy smile on your lips.

I'm looking forward to planning our next adventure together soon.

Warmly,
Ellie
