About Me:

<p>Hey there,</p>

<p>My name is Adore and I'm a delightful mix of sugar and spice! I'm so glad you stumbled upon my website and hope I can convince you to take the leap into my world. Elegantly tattooed, with deep-ocean blue eyes, I'm a passionate young lady who enjoys life at its fullest. I've been a companion for two years now and I can attest that I've enjoyed every minute of this adventure so far!<br /><br />

A bit about me!</p>

<p>In my personal life, I enjoy writing, creating, reading and starting decoration projects that I never finish! Being an empath, taking care is second nature to me. I also love to share my great sense of humour once the shyness of our new encounter dissipates!</p>

<p>Having a bit of an insubordinate side in my everyday life, it will come as a surprise to you that I can also be a passionate lover with a bratty tendency.</p>

<p>ABOUT OUR ENCOUNTER</p>

<p>If it's the first time you see me, you might feel a bit of nervousness and excitement. Just know that I feel the same way, but I can assure you that the shyness will dissipate as soon as our lips touch and our clothes fall on the ground. My ultimate goal is that you exit the door with an unshakable smile on your face and enough material to daydream about until our next encounter.</p>

<p> I value communication and I want you to feel open with me, as I will do with you. </p>

<p>I see everyone, regardless of their gender, ethnic background or (dis)ability!</p>
