#### About Me:

What do you expect when you have a date with a Companion? Take all that and put aside, because the unexpected is Quinn's favourite kind of encounter. Our advice? Use your imagination to woo Quinn on a date – whether it be small or large, it's what imagination you put into it that will win her over. A Gentleman's success with Quinn is only limited by his imagination. If you like to be affectionate or like for someone willing to take the lead, book your next encounter with Quinn.
