#### About Me:

Enticing, robust, and topped off with a little je ne sais quoi could be the way to describe Anabel's favourite whiskey, or Anabel herself. Like whiskeys of a similar caliber, Anabel can be a little bit decadent, and it takes a Gentleman with refined tastes to truly enjoy. Anabel is a classic beauty with features that linger in your memory long after your date is over. When you're with Anabel, you can either go with your instincts or with logic. Whatever you choose will determine the rest of your date. There is no right or wrong answer when you're with Anabel.
