About Me:

Hi there!

What a pleasure to meet you, my name is Isabella. Being part Spanish, I bring a a certain flair to our meeting. I am here to pamper your body and your soul. While I look younger than my age, my background leaves me a curious lady who is always looking to learn something new. As such, I relish at the occasion to learn what makes you go wild. My soft skin, delightful conversation, and sensual caresses will have you coming back for more.

I believe human beings are social creatures which means we need to seek out touch and companionship when we can. My smile and friendly attitude will make you feel at ease so you can benefit from the endorphins obtained through skin-on-skin contact. I welcome people of all ethnicities, genders, and (dis)abilities.

Hygiene, discretion, and safety are very important to me. On my website you will find how to get in touch with me and booking instructions; I require light screening for my personal safety if it is the first time we meet. Please only contact me by e-mail or through my website.
